Map Settings

- ✓ **See buses and trains near you:** Instantly view nearby service at a location (uses GPS if using a phone).
- ✓ **Vehicle locations:** See where any bus or train is on the map and follow it along its route.
- ✓ **“Look ahead”:** Tap or click on any vehicle to see where it’s headed and where it stops.
- ✓ **Save your favorites:** Flag your most-used lines and stops for easy access next time.

- ✓ **Plan multi-modal trips:** Plan a trip that includes a personal bike, e-scooter, Uber or BIKETOWN bikeshare.
- ✓ **Better search:** Enter any business name, landmark, address, intersection, stop or Stop ID.
- ✓ **Add a shortcut icon to your home screen:** Make the website open in full-screen mode and behave like a native smartphone app.
